You have expressed an interest in financial aid, please complete your 2017-2018 FAFSA at www.fafsa.gov

You will need to create an FSA ID to sign your FAFSA. If your parent's information is required on the FAFSA; your parent will need to create their own FSA ID to sign the FAFSA.

Your FSA ID confirms your identity and acts as your electronic signature for Federal Student Aid documents.

The FSA ID is a username and password and can be used to log in to certain U.S. Department of Education websites.

If you do not already have an FSA ID, you may create one at www.fafsa.gov .

How to create an FSA ID:

Step 1 Go to www.fafsa.gov and click on the FSA ID link at the top of the page.

Step 2 Create a username and password, and enter your e-mail address.

Step 3 Enter your name, date of birth, Social Security number, contact information, and challenge questions and answers.

Step 4 If you have a Federal Student Aid PIN, you will be able to enter it and link it to your FSA ID. You can still create an FSA ID if you have forgotten or do not have a PIN.

Step 5 Review your information, and read and accept the terms and conditions.

Step 6 Confirm your e-mail address using the secure code, which will be sent to the e-mail address you entered when you created your FSA ID. Once you verify your e-mail address, you can use it.
