ART SUPPLIES FOR ART COURSE ELECTIVE AND GENERAL USE:

We will be offering an art elective during the year. It is recommended that you bring typical craft/art supplies with you. This would include scissors, tape, glue sticks, assorted construction paper, markers, etc. Art supplies are good for being creative; designing projects for classes or for a club; or developing flyers to help you or your friends run for the Student Government Association, for example.

BOOKS FOR FALL 2020/2021 THAMES AT MITCHELL COLLEGE:

- Please buy ALL the books as new and bring them to campus when you move in.
- We **DO NOT** recommend renting as you will need new books and will use them for tFall and Spring semesters - all year (*longer than the rental agreements*).
- Remember to buy the required edition for the books.
- Some of the courses have a one-time use access code that needs to be used during class time, which is located in the book.
- Other courses will provide supplement materials for the class.
