

ADJUSTING OUR SAILS

Dear Mitchell College and Thames at Mitchell Parents/Guardians,

Our students are working hard following the Mariner Promise to do their part in keeping our campus community safe! So far we are seeing great results with zero COVID-19 positive cases reported from our twice-weekly surveillance testing. You can find current campus COVID-19 test results [here](#).

To keep this momentum of a healthy campus going for the duration of Session I (until Thanksgiving break, November 21-29, after which Session II begins remotely from home on November 30), we discourage family visits to campus and student trips home. Please consider staying in touch via video chat and phone calls and mailing forgotten items and care packages from home to your student's campus mailbox.

If you *must* come to campus, please take note of this important checklist:

CAMPUS VISIT CHECKLIST >

FALL EVENTS

Because of health and safety concerns this semester, we are exploring options for some of our traditional fall events. Watch for more information about upcoming virtual fall gatherings and programs, showcasing the Mitchell community!
