Dear Mitchell College and Thames at Mitchell students and families,

We want you to be aware that the Connecticut Department of Health has issued an [alert for New London](#) after a significant rise in new COVID-19 cases.

In response, we ask that you take extra precautions for the time being:

- do not leave campus for non-essential reasons;
- do not travel out of town or state if possible;
- continue to wear a face covering/mask anytime you leave your residence, including around campus;
- avoid indoor gatherings with those you don't live with;
- do not attend large outdoor gatherings.

All students should review and abide by the current College travel policy here:
