

PROTECT OUR MARINER FAMILY:

**Through on-campus
weekly testing.**

Important COVID-19 Testing Reminder for All Students, Faculty and Staff

If you are a Mitchell College or Thames at Mitchell student (resident or commuter), faculty or staff member who is **living, learning or working on campus** this spring, you are **required** to take a COVID-19 **test weekly**.

Weekly testing is underway in the Market Café by appointment only, by last name, beginning with the letter:

- A-F (Mondays, 9am-Noon)
- G-L (Tuesdays, 9am-Noon)
- M-S (Wednesdays, 11am-2pm)
- T-Z (Thursdays, 9am-Noon)

Make your weekly appointments through CoVerified. No walk-ins, please. If you have a major conflict with your designated time, choose an alternative time that works for your schedule and make your appointment through CoVerified.

To download/access CoVerified:

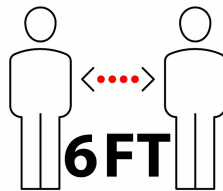

- **Smartphone app** – Go to <https://www.coverified.us/download> for the App Store or Google Play.
- **Desktop or laptop** – Go to <https://web.coverified.us/user/home>.

Students who do not comply with the weekly COVID-19 testing requirement will be subject to disciplinary action as outlined in the [COVID-19 Judicial Process](#).

Faculty and staff who do not comply with the weekly COVID-19 testing requirement will be referred to Human Resources.

Thank you for working together, Mariners, to keep our campus community safe!
