

Dear Non-Matriculating Mitchell College Student,

Thank you for registering for May or June MiniMester at Mitchell College. We are happy to have you joining us! If your course will be meeting in person on campus, please adhere to the following procedures:

- **Submit a negative SARSCOV2 viral PCR test result**, taken off-campus within 72 hours prior to you being on campus, to the CoVerified app or covidresults@mitchell.edu.
- **Download the CoVerified app** at <https://www.coverified.us/download>.
 - **Log-in:** You will log-in using your @mitchell.edu or @my.mitchell.edu email address and password.
 - **Download** the CoVerified User App Tutorial [here](#).
- **Self-report your temperature and symptoms daily**, using the CoVerified health tracker application. This information will be used to monitor the collective health of the campus and identify any potential outbreaks of COVID-19.
- **Schedule an appointment for weekly testing at an off-campus facility**, and upload your test results through the CoVerified app. *If you tested positive for COVID-19 within the last 90 days, you do not have to submit a test but should submit your positive test result to <mailto:covidresults@mitchell.edu>. On day 91, you would be required to submit weekly testing.*
 - If you are a **May MiniMester student**, submit three test results: one taken within 72 hours prior to your first day on campus; one taken the week of May 10; one taken the week of May 17.
 - If you are a **June MiniMester student**, submit three test results: one taken within 72 hours prior to your first day on campus; one taken the week of May 24; one taken the week of May 31.
- If you have any questions about testing, please email covidresults@mitchell.edu.

Remember to follow all signage on campus, with reminders to:
