**Dear Mitchell College Students and Parents,**

Great news!

Mitchell College looks forward to welcoming our students **back to campus for Fall 2021 with in-person classes and career experiences/internships, back-to-normal residence life and dining, a full slate of campus activities, athletics and performing arts events, and community service and engagement opportunities.**

*Remote work for our faculty and staff ended in late May, and everyone is busy planning for a much-anticipated return to campus life. But it's up to all of us to make sure we stay safe and can participate in a full campus experience.*

*How do we do that?*

**Mitchell College strongly encourages everyone to get the COVID-19 vaccine prior to returning to campus.** Connecticut has "reopened," with Governor Lamont easing many restrictions for residents and visitors to Connecticut who are fully vaccinated. For the latest Coronavirus information from the State of Connecticut, visit [portal.ct.gov/Coronavirus](https://portal.ct.gov/Coronavirus).

The College is also participating in President Biden's [COVID-19 College Vaccination Challenge](#), with the goal of administering at least one vaccine shot to 70% of adult Americans by July 4. To find a vaccination site near you, visit [vaccines.gov](https://vaccines.gov).

As the College finalizes its COVID-19 protocols for the [2021-22 academic year](#), we know that a more immunized college community means fewer COVID-related restrictions on campus. Together, we can do this.

Watch for more information at [mitchell.edu/fall-2021](https://mitchell.edu/fall-2021) in the coming weeks about Fall 2021 at Mitchell College.

Enjoy the return to many favorite summertime activities in the next few months, and we will see you soon!

Sincerely,

Tracy Y. Espy, Ph.D.  
President
