Dear Students of Mitchell College and Thames at Mitchell College,

We are getting **so close** to the time when you will be coming to campus as either an incoming or returning student! To prepare for your time here, please note the following important details...

All Students

Questions about Fall 2021: If you were unable to attend our Fall 2021 Webinar, no worries! You may watch the recording at mitchell.edu/fall-2021.

COVID-19 Proof of Vaccination is Required

As you know, students are required to be vaccinated in order to be on campus. Upload your vaccination card to the CoVerified App or healthservices@mitchell.edu and include your full name and date of birth, the name of the facility that administered the vaccine, and the date the vaccine was given. ***Students who have not uploaded their vaccination card or who have not been granted an exemption will not be allowed on campus.***

COVID-19 Pre-Test Required

ALL students are required to submit proof of a negative COVID-19 test (PCR or Antigen) that was administered within 72 hours prior to their arrival on campus to the CoVerified App or healthservices@mitchell.edu.

ALL students must:

- Monitor and upload health status/symptoms to the CoVerified app beginning their first day on campus.
- Wear a mask indoors while inside residence halls and all campus buildings during move in, classes and other events, including both indoor and outdoor college- and student-sponsored events and gatherings. Review policies at mitchell.edu/fall-2021/covid-information/

All On Campus

ALL students, visitors and family members on campus must:

Wear face coverings while inside residence halls and all campus buildings during move-in and other events, including both indoor and outdoor college- and student-sponsored events and gatherings. *This applies regardless of vaccination status.*

COVID-19 Weekly Testing

Students who are unvaccinated and have an approved exemption **will be tested on campus weekly, beginning their first week.** Vaccinated students will not be tested.

Resident Students

Sign up for a Check-in Time

If you haven't yet signed up for a move-in check-in time, you need to do so by August 20. Please use your **my.mitchell.edu** email address using the following links:

Move-In Day (August 25 for incoming students; August 29 for returning students)

****COVID-19 Pre-Test Required to Move-In****

ALL students are required to submit proof of a negative COVID-19 test (PCR or Antigen) that was administered within 72 hours prior to their arrival on campus to the CoVerified App or healthservices@mitchell.edu. Students will not be allowed to move-in without proof of this test.

As a reminder, no more than two family members are allowed to assist with move-in and **no children under 12** will be allowed inside residence halls; family members/move-in helpers do not need to present a negative COVID-19 test, but they are **strongly encouraged to be vaccinated** for COVID-19 if they plan to be present on campus.

Check in on your designated move-in day at the Henry Hall parking lot **during the check-in hour time slot you have signed up for**. Incoming students will receive information packets, keys, student IDs, *Anchors Aweigh!* swag and either an approved "green" card or "red" card. Returning students will receive keys and either an approved "green" card or "red" card.

- If you receive a "green" card upon check in, you are allowed to proceed with move in.
- If you receive a "red" card, you will need to remain at Henry Hall until you have been cleared. Reasons for receiving a red card include: a financial hold, a COVID vaccination hold, a health & wellness hold, or other. You must clear **all holds** before receiving the approved green card.
- **Clear your holds NOW** in your Mitchell portal to ensure you get a green card when you arrive!
