COVID-19 Protocol Reminder for Mitchell College Students

Revised 10/18/21

Good evening. You have undoubtedly heard that COVID cases are on the rise on college campuses. These increases are almost exclusively traced to unsafe behaviors, such as socializing in cars, in friends' rooms or apartments, at parties or in bars without wearing a mask.

We are committed to your safety, and we need your help.

- Face coverings must be worn for all indoor activities and in common areas (classrooms, event spaces, and hallways) except when alone, such as in a private office or in college-sponsored housing. ***This includes any off-campus activities!***
- Face coverings must be worn for all attendees at outdoor college- and student-sponsored events and gatherings.
- While outside and going about daily outdoor activities, members of our community are not required to wear face coverings at this time.
- Visitors and invited guests are welcome on campus; ***visitors must wear face coverings indoors and at outdoor college- and student-sponsored events and gatherings.***
- For outdoor athletic events, spectators who are fully vaccinated are not required to mask, but are highly encouraged to do so. Masking is required for all indoor athletic events.

- Social distancing is highly recommended both indoors and outdoors.
- Domestic travel is allowed, but please use caution. Masking is the best way to protect yourself.
- International travel is allowed in accordance with CDC guidelines, including possible testing and/or quarantine upon return and arrival.
