

2022-2023 Dependent - Standard Verification Worksheet

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and/or your parents reported on the FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are any differences, your FAFSA information may need to be corrected. Please see signature requirements at the end of the form, attach any required documents and submit to your financial aid administrator at your school. If you have any questions, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.
