

## Important Health & Safety Reminders

February 25, 2022

### **Spring Break, March 7-11, is almost here!**

**Make plans now for a COVID-19 pre-test before your return to campus. All students – resident and commuter, vaccinated and unvaccinated – are required to test within 48 hours prior to returning to campus from spring break.**

- Locate a PCR testing site at [hhs.gov/coronavirus/community-based-testing-sites](https://hhs.gov/coronavirus/community-based-testing-sites)
- Submit test results to the CoVerified app or to [covidresults@mitchell.edu](mailto:covidresults@mitchell.edu).
  - If you have not received your PCR results by the first day back on campus, please contact [healthservices@mitchell.edu](mailto:healthservices@mitchell.edu) to report that test results are still pending.

**Tested positive?** Stay home and contact [healthservices@mitchell.edu](mailto:healthservices@mitchell.edu).

---

### **In need of a COVID-19 vaccine or booster?**

Before you leave for spring break, take advantage of the free clinic on campus! No appointment required. Bring your health insurance card and photo ID if you have them, but they are NOT NECESSARY to receive the vaccine.

#### **Free COVID-19 Vaccination Clinic**

**March 2 & 3, 2022, 10am-2pm**

**Wednesday, March 2** - Mitchell College students, staff and faculty only

**Thursday, March 3** - Open to the public

**The Red Barn, 629 Montauk Avenue, New London**

**Questions?** Please contact [CRTeam@mitchell.edu](mailto:CRTeam@mitchell.edu).

***Have a safe and fun spring break, Mariners!***
