

Important Health & Safety Reminders

April 26, 2022

Important Update for Students

Masking

We are continuing to watch the current upward trend of COVID-19 in New London County and will adjust our masking policy as needed. With a short time left in Session II, please continue to wear a mask in the following settings:

- Classrooms
- Labs
- Large indoor events open to the public

Use your good judgment in other settings – in large crowds or close proximity to others and around people displaying symptoms – and always carry a mask with you.

Be mindful and you can make a difference!

COVID-19 Symptoms

People with COVID-19 can have a wide range of symptoms, from mild to severe. Symptoms may appear 2-14 days after exposure to the virus.

If you have **any** of the following, please test for COVID-19 (contact healthservices@mitchell.edu with questions):

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Mark your calendar with these important end-of-year dates:

May 5 – Academic Presentation Day

May 6 – Session II Final Exam Day

May 6-13 – Senior Week

May 7 – Residence Halls close at Noon

May 14 – Commencement at 10am

May 14 – Residence Halls close at 5pm for graduating seniors participating in Senior Week

Thank you for working together all year to keep our campus safe! If you have additional questions, contact CRTeam@mitchell.edu.
