2) Alternative/Private Student Loan-

Thames at Mitchell College is a holistic college transition program for students who would benefit from additional preparation to succeed in college. We will work with you to certify any necessary educational program details with any lender, however, many private education lenders will not provide loans for this program.

Sallie Mae is a lender that has already approved this program and has a loan that you may apply for to pay Thames expenses. Please see below for information regarding this loan.

For the Sallie Mae smart option loan:
