-  **Room Features:** Suite bedrooms are approximately 13 ft. x 20 ft. and have 2–3 windows that come with blinds. If you would like to add curtains you will need to bring a rod. Bedrooms have carpeting and common areas do not have carpeting. Students may bring rugs. There are no restrictions on size, although area rugs are typically the easiest to keep clean.
-  **Beds:** All residence hall beds/mattresses are Twin XL and adjustable in height. Students can raise or lower beds depending on personal preference and storage needs. Be sure to bring Twin XL bedding so it fits the mattress properly.
-  **Room Decorations:** Students are encouraged to decorate their rooms with items not on the “What Not to Bring” list. Thumbtacks, nails, and ceiling decorations are not permitted. Please use removable adhesives such as sticky putty or damage-free strips to prevent wall damage.
-  **Pipe Safety:** Nothing may be hung from exposed pipes or fixtures in residence hall rooms. This includes string lights, clothing, and decorations.
-  **Room Cleanliness:** Students are expected to maintain clean and safe living spaces. Plan to bring the cleaning supplies (wipes, mop, broom, paper towels, etc.) you need to keep your space tidy. Students are responsible for cleaning suite bathrooms and common areas. Monthly health and safety inspections will be conducted to ensure cleanliness and safety standards are being met.
